

**Problema
vago**

```
graph LR; A[Problema vago] --> B[Preguntas guía: área · periodo · métrica]; B --> C[Problema abordable];
```

The diagram consists of three rounded rectangular boxes arranged horizontally. The first box is blue and contains the text 'Problema vago'. An arrow points from the right side of this box to the left side of the second box. The second box is orange and contains the text 'Preguntas guía: área · periodo · métrica'. Another arrow points from the right side of this box to the left side of the third box. The third box is dark blue and contains the text 'Problema abordable'.

**Preguntas guía:
área · periodo · métrica**

**Problema
abordable**
