

**Problema
vago**

```
graph LR; A[Problema vago] --> B[Preguntas guía: área · periodo · métrica]; B --> C[Problema abordable];
```

The diagram consists of three rounded rectangular boxes connected by arrows. The first box is blue and contains the text 'Problema vago'. An arrow points from this box to a second, orange box. The orange box contains the text 'Preguntas guía: área · periodo · métrica'. Another arrow points from the orange box to a third, dark blue box. The dark blue box contains the text 'Problema abordable'.

**Preguntas guía:
área · periodo · métrica**

**Problema
abordable**
